Expert Advice & Treatment - ASAP!

Many times we can offer helpful advice for routine aches & pains over the phone. You can also call Mark or Jason directly to schedule a runner's evaluation for just \$45. We'll take it from there...

We can recommend simple home treatment, instruct you in an exercise program, recommend shoe changes & training modification or implement a physical therapy program - all without a trip to the doctor.

We can get you in quickly, too! Appointments are available every day in our Belden Village facility.

Experience, Convenience...Success!

At Concorde Sports Medicine, our running specialists have been evaluating and treating all levels of runners for over 30 years, and we've had a lot of success to show for it! Our success is based on a simple principle - going beyond treating symptoms to identify and manage the cause of the problem.

Our promise to you is also simple - We'll do all we can to...
